Dear Sir / Madam

NOTIFICATION OF ROADWORKS – A161 Beckingham Road / Stockwith Road Walkeringham

I would like to inform you that Via East Midlands Ltd working on behalf of Nottinghamshire County Council intends to carry out highway maintenance works on A161 Beckingham Road and Stockwith Road, in August 2026. The limits of the proposed carriageway works are shown on the plan attached.

The work will comprise of Carriageway Resurfacing on Beckingham Road and Stockwith Road commencing on Monday 3rd August and will be carried out under various road closures for up to 10 nights excluding weekends and should be completed by 17th August 2026.

Carriageway Resurfacing on A161 Beckingham Road and Stockwith Road from the existing 30mph speed limits at the Southern end of the village through to the existing 30mph speed limits at the Northern end of the village. Working Hours 20:00 – 06:00.

3rd August to 17th August 2026.

In order, to comply with current health and safety legislation, and to protect both the public and workforce, it will be necessary to close the A161 Beckingham Road and Stockwith Road and affected side road junctions, whilst the carriageway structural patching works are being carried out.

The carriageways on A161 Beckingham Road and Stockwith Road will also have a prohibition on waiting order in place to prevent vehicles from parking. Any vehicles parked or left on the above roads, during working hours on the programmed dates could receive a Penalty Charge (£70) from a Civil Enforcement Officer. There is also a possibility that a vehicle could be removed from the street by a tow truck should it impede the works. This would then incur a storage and release fee (minimum £85 per vehicle) in addition to the Penalty Charge Notice.

The Carriageway Resurfacing works will be carried out by Via East Midlands Ltd and RPH Surfacing and should be completed over 10 nights, weather permitting. Pedestrian access will be maintained at all times. The extents of the temporary road closures together with the diversion routes for through traffic are shown on the plans attached.

During the carriageway resurfacing works only limited vehicle access may be permitted within the working area at certain times, especially when machinery is working in the vicinity of your property / street. A certain amount of minor noise may be generated with this operation such as engine noise of equipment and pneumatic excavation, but we endeavour to keep this to a minimum. Construction

work may continue beyond the stated hours in isolated cases, and the workforce may still be onsite to prevent vehicles damaging freshly laid materials. A signed diversion route will be in place for through traffic during the duration of the road closure. Traffic Marshalls will be in the vicinity of the junctions throughout the working periods to give advice on access / egress for residents. Please take care during these works and observe all signs and instructions from site personnel.

We apologise in advance for any inconvenience this may cause, however we would also like to ask for your patience and co-operation whilst the works are in progress and we would like to assure you that every effort will be made to keep the disruption to a minimum, if you have any special circumstances we should need to know about such as disabled access, health visits, deliveries/collections, please do not hesitate to contact Ian Horton on 0115 804 2232 or by e-mail.

On behalf of Via East Midlands Ltd and Nottinghamshire County Council, I would like to thank you for your assistance and co-operation.

Yours faithfully

A handwritten signature in black ink, appearing to read 'I. Horton', is enclosed within a white rectangular box.
